participation of young people and unity and exchange between communities.
October 2023

II Days of the European Network of Holy Week and Easter Celebrations. 1 – 15 October, 2023.

The Days of the European Network of Holy Week and Easter Celebrations are celebrated once a year to present the tangible and intangible cultural values of Holy Week outside their celebration period. They represent a tourist and cultural offer for local population and visitors.

Each member locality of the Network organizes activities that are held simultaneously by all the members. Programming includes open doors to Holy Week museums and brotherhood houses, visits to religious art workshops and contemporary artistic creation workshops with demonstrations, themed guided tours about Holy Week, brotherhood or Holy Week music concerts.
